

OCTOBER 23 1:30PM – 2:30PM  
SOCIAL SCIENCE BUILDING, ROOM  
226

# Storm Water Pollution Presentation

YOU ARE INVITED!

Without realizing it our daily activities can have a significant impact on the quality of our water. The good news is there are several ways to prevent pollution and improve the health of local streams that provide important benefits to our community. Join the AmeriCorps Watershed Ambassadors and the TCNJ Office of Occupational Safety & Environmental Services to learn about how stormwater pollution can affect the health of New Jersey water bodies and how you can make a positive impact in your watershed!

LEARN ABOUT HOW  
POLLUTION AFFECTS  
WATER IN NEW  
JERSEY

GAIN SKILLS TO  
PREVENT STORM  
WATER POLLUTION

GET INVOLVED IN  
LOCAL  
ENVIRONMENTAL  
STEWARDSHIP
